National food program seeks help feeding Georgia's hungry children this summer

ATLANTA, Ga., (January 21, 2009) – The Summer Food Service Program (SFSP) is looking for eligible sponsors to serve nutritious meals to children throughout Georgia this summer. The SFSP, administered in Georgia by Bright from the Start: Georgia Department of Early Care and Learning (Bright from the Start), is funded by the U.S. Department of Agriculture (USDA).

The SFSP provides free meals to eligible children in low-income areas during the summer months when students are out of school where they would normally receive breakfast and/or lunch. Approximately 3.5 million meals were served through the SFSP during the summer of 2008. Bright from the Start seeks additional sponsors this year to serve even more meals to children who receive free and reduced price lunches during the school year.

The following entities can qualify as sponsors: public or private nonprofit schools; universities, colleges, or camps; units of local government; private nonprofit organizations considered tax exempt by the IRS.
